Project Executive Officer,

To
The Director of Community
Development, MADRAS.

Sir,

COMMUNITY PROJECT--South Kanara--Poultry Farm--Kinnigoli--Certain repairs to Chicken rearing house of the Poultry Farm--Estimate--Expenditure--sanction of.

Ref: | G.O.Ms.No.501 [illegible] dated 18-5-1951.
| 2.G.O.Ms No.1340 Pub. R.D.P. Dept. dated 13-[illegible]-1954.

--

The Poultry Development Scheme, Kinnigoli, sanctioned in the G.O. cited first above has been taken over by the Community Project in accordance with the instructions issued in the G.O. cited second above. The expenditure required for the maintenance of the Poultry Farm during the Community Project period is being incorporated in the revised Overall Programme and the budget, now under preparation in my office.

But, in the meantime, it is found necessary to execute certain repairs to the chicken rearing house at an estimated cost of Rs. 1550/- as the side wall of the house which is built of mud has collapsed due to rains. In the original G.O. in which the scheme was sanctioned, there is no provision exclusively for the above work. Provision for this item will, however, be made in the revised overall programme and budget referred to above.

As there is real danger from wild beasts to the birds if the execution of repairs to the rearing house is delayed, I am permitting the Asst. Engineer to get the work executed as per the estimate technically sanctioned by him.

I, therefore, request that the Govt. may kindly be pleased to ratify my action and also to sanction an expenditure of Rs. 1550/- to execute the above.

Yours Faithfully,

K Narasimha
